

PARKMOBILE

PAY BY PHONE

Parkmobile is the world's most popular Pay by Phone service. Integrated with PEMS Parking Platform, AutoISSUE enforcement module, Parkmobile is a stand-alone parking payment solution that can also be integrated with Duncan TX and VX machines.

Features include:

- Available on Android, IOS, Windows and Blackberry app stores
- Zero driver minimum balance. Only pay for what you need
- Remote 'top up' payments when staying longer than planned
- Park and Pay or Stop-Start payment methods
- PEMS Integrated Parking Platform

Parkmobile Permits is a comprehensive 'rights management' solution that is provided as a fully hosted and managed web service.

Permit rights covered include:

- Annual, monthly, daily resident permits
- Contractor permits
- Visitor permits
